

# 3 WAYS TO JOIN SPS NATIONAL

NEW  
FOR  
2018

## Individual:

Need a membership right away?

- Goes into effect immediately to give you access to awards and scholarships
- Keeps a print version of The SPS Observer coming to your mailbox

## Discounted Group Membership:

Perfect for smaller chapters and departments

- Save by submitting multiple registrations at one time. The more people who join, the larger your discount
- Open to undergraduates, graduate students, faculty and staff

## Chapter Membership:

Best deal for large departments

- Pay one flat annual fee for an unlimited number of student and professional members
- Your chapter receives great benefits like a complementary copy of the Careers Toolbox for Physics Students & their Mentors, lapel pins for your officers, quarterly electronic subscription of The SPS Observer for all individuals, and an SPS wall decal for your lounge.
