Sigma Pi Sigma's
**2025 PHYSICS
AND ASTRONOMY
CONGRESS**

October 30 - November 1, 2025
Denver, Colorado

Honorary chair:

Dame Jocelyn Bell Burnell

Plenary speakers include:

- Eric Cornell
- Donnell Walton
- Julianne Pollard-Larkin
- Renee Horton

Join us for three days of cutting-edge research, interactive workshops, and leadership training which will impact the future of SPS. Stay for the costume dance party on Saturday night!
