

SPS AND SIGMA PI SIGMA RESOURCES FOR CHAPTERS

PROMOTIONAL LITERATURE:

SPS and Sigma Pi Sigma Brochures and Posters

INFORMATION AND ADMINISTRATION:

The *SPS and Sigma Pi Sigma Information Handbook*

PERIODICALS:

The *SPS Observer* (four issues per year)

Radiations (the magazine of Sigma Pi Sigma, two issues per year)

Journal of Undergraduate Research in Physics (two online issues per year, refereed papers by undergraduate scientists)

SPECIAL RESOURCE PUBLICATIONS:

How to Involve Undergraduates in Research: A Field Guide for Faculty (\$5.00 per copy)

Describes how to start and maintain a meaningful program of undergraduate research by physics majors, even with zero funding.

The Physics Outreach Notebook

Distributed occasionally in the form of installments to an ongoing notebook, sent as packets already hole-punched to insert into a 3-ring binder. These installments are solicited from individuals and chapters who have considerable experience at “taking physics on the road,” especially to elementary and secondary schools. Offers transferable suggestions, “do’s and don’ts,” and tips for successfully communicating science, promoting science literacy, and collaborating with teachers in grades K-12.

CHAPTER RECRUITMENT DRIVE ITEMS:

20 x 20 Satin Photobase SPS Poster (\$110.00 each—price includes shipping & handling)

Mounted on white jet mount and matte laminated with large easel backs and two clear plexiglass brochure holders with adhesive tapes supplied; 25 SPS brochures and 25 Sigma Pi Sigma brochures included.

16.5 x 36 Scrim Vinyl Banner (\$80.00 each—price includes shipping & handling)

Each vinyl banner has four grommets; suitable for hanging on a wall or a table.

WE WELCOME YOUR SUGGESTIONS FOR OTHER RESOURCE ITEMS.
