

ANNOUNCING THE WHY MAJOR IN PHYSICS? RECRUITMENT PACKET

- ❖ Why major in Physics?
- ❖ What do you tell the parents of your prospective physics majors?
- ❖ What do you tell prospective students?
- ❖ What do you send them home with?
- ❖ SPS can help with your physics recruiting efforts.

Everything you need to know from different types of careers that begin with a physics major to trends in employment/salaries, to the technological advances made by physics-related sciences.

It includes dozens of pages of information from the American Institute of Physics' Divisions of Education and Student Services, Career Services, Media and Government Relations, and the Statistical Research Center.

Send orders to:
Society of Physics Students
1 Physics Ellipse
